COLUMNS

Vici Manufacturing PVC or Exterior MDF Column Wraps feature a variety of beautiful, unblemished panel styles. Each panel utilizes a lock mitre joint resulting in a column that is assembled virtually fastener free leaving the finished faces untouched. By utilizing the lock mitre joint this ensures true, crisp corners, and makes installation easier.

Available in both tapered and non-tapered profiles, and in a wide range of panel styles to choose from. Vici Manufacturing Column Wraps are decorative only and are NON-LOADBEARING. Please consult your local building and safety codes for specific requirements.

GABLES

Vici Manufacturing PVC Gable Accents look, feel and work just like wood, but are impervious to moisture, insects and decay. In addition, they don't require paint, but will accept latex acrylic paints if you choose to paint them. Their natural finish is a semi-matte white finish and made to repel harsh UV rays at its core.

In addition, these accents can be milled and cut with standard wood blades and cutters, fastened close to edges without splitting the edges. They're also easy to install—saving you time and labour. And so, with consistent density, colour, and square edges. Vici Manufacturing can custom manufacture virtually any decorative elements to compliment your home.

DECORATIVE SCREENS

Our lightweight PVC screens are the perfect addition to fencing, decor, or privacy. Easy to install, and perfect year-round. Select from a variety of designs, or we can assist with a custom design. We have you covered!
